Letter of Admission

Dear Mr. Jaramillo Paez,

We are pleased to inform you, you have been accepted as an exchange student in the field of study

(Business) Informatics

at the University of Mannheim for the Spring semester 2020.

The spring semester officially runs from 1 February to 31 July. The fall semester officially runs from 1 August to 31 January.

For your official enrollment, please meet the team of the International Office at the Express Service of the University of Mannheim (located at L1,1, Entrance A) during the enrollment period from **03 February to 7 February 2020**.

— For enrollment, please bring the following documents:

- a) Proof of health insurance coverage
- b) Visa for study purposes (if required)

In case you have been enrolled as a student at a German university before, please make sure to provide a document proving your official disenrollment from that institution. Otherwise, we will not be able to enroll you at the University of Mannheim.

We would like to emphasize that the membership and coverage of a German health insurance provider begins on the day of your enrollment, not before.

Since the University of Mannheim offers a significant number of courses in English, exchange students are not required to have any knowledge of German in order to take part in our exchange program.

This letter of admission is a valid certificate for official purposes. It is generated electronically and valid without signature or official seal.

With kind regards,
p.p. Gabriele Vath
